Firm Overview

3K Limited Partnership focuses on making control investments as well as minority investments as part of a control investor group in privately held businesses. In addition, 3K makes select investments with meaningful board participation in smaller publicly held companies. We seek to partner with outstanding management teams to help build enduring long term value. Our capital is patient, flexible, and permanent.

Investment Criteria

- *Investment size:* \$3-25 million
- *Investment structure:* Equity or debt under certain circumstances
- *Ownership:* Control or minority positions in privately held businesses
Large minority positions in small publicly held businesses
- *Capital Uses:* Management buy-outs Corporate divestitures
Growth capital Recapitalizations
Privatizations Select turnarounds or restructurings
- *Revenue:* > \$10 million
- *Geographic focus:* North America preferred, but otherwise unrestricted
- *Industries:* While we have no formal industry mandate, we are well versed in numerous industries including manufacturing, business services, specialty distribution, industrial and infrastructure services, IT services, technology and software, consumer products and services.

3K does not invest in start-up or early stage businesses.

Please contact us if you are an owner or manager and are evaluating strategic alternatives for your business. We welcome the opportunity to work with independent sponsors, business intermediaries as well as executives seeking a financial partner to acquire a business.

Abatix was established in 1983 and has grown into a diversified supplier of safety, environmental, construction, janitorial, and industrial products supporting customers primarily in the south and southwest regions of the United States.

Calloway's is one of the largest independent retail garden centers in the United States and the largest operator in the Dallas/Fort Worth market. Founded in 1986, the company specializes in providing customers the very best premium plants, trees, flowers, groundcovers, seed, bulbs, houseplants, pottery, tools, fertilizers, soil supplements, and other garden necessities - all backed by a 100% satisfaction guarantee.
